

MOTOR WHEEL PART NUMBER CHANGE NOTIFICATION

To: All STEMCO Motor Wheel Customers

Effective immediately, Motor Wheel part number 91812B (16.5x8.62 CentriFuse® Brake Drum) has been superseded by part number 600026. New CentriFuse® Drum 600026 has been designed with improved dust-shield clearance, for use interchangeably in all tractor and trailer applications previously served by 91812B. Please update this part number in your system to avoid any disruptions in future orders.

Part No.	Brake Size	Wt.	Overall	Brake Surface	Mounting	Pilot
91812B	16.5 X 8.62	100	11.46	9.22	10-hole 285.75 BC	8.78
600026	16.5 X 8.62	100	11.33	9.10	10-hole 285.75 BC	8.78

Stemco Motor Wheel greatly appreciates your business.

Thank you,
